ACTIVITY CODE	G – group	F – focus child	C – child suggestion	P – parent suggestion	J – Journal Entry	W – National/world events	E – extension idea	Q – QIP focus
---------------	-----------	-----------------	----------------------	-----------------------	-------------------	---------------------------	--------------------	---------------

Movember craft – cut moustaches out of black paper and stick onto straws

Bouncy ball eggs – eggs soaked in vinegar to dissolve shell and then they become bouncy. Leave for the whole day in solution

Name it ball – passing game in the hall. One child picks a category. The ball is passed around the room. When you catch the ball you have to name something in that category (e.g. category is ice-cream flavours, you have to say chocolate when you catch the ball). If someone says the same thing as someone else then they are out.

Japanese Koinobori kite –

Fruit fans –

Floating chalk prints – tub of water, shave chalk onto the water, lightly place piece of paper on top of the water and the colours will transfer onto the paper. Don't leave the chalk too long or it sinks to the bottom of the tub

Placemat weaving –

Stick tee pee craft – Kids to use sticks from play ground and wool/feathers to create a teepee

Mandala turtles – type mandala turtle into pinterest for print out

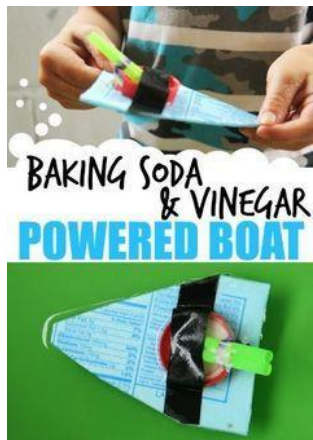

Mandala Turtle

Paper plate space ships –

Motor boat science experiment – type into pinterest

Throw it up ball – everyone is in a circle with one person in the middle. The person in the middle throws the ball up in the air and yells out someone else's name. The person whose name is called has to run into the circle and pick up the ball. Everyone else runs away as fast as they can. Once the person in the middle picks up the ball they yell freeze, and try to roll the ball to hit someone else. If the ball hits them they are out, if the person misses then the thrower is out. The game then continues until there is a winner. It is sort of like dodgeball with less balls and no teams.

Netball passing drill – mini netball game without goals. Two people stand in a hoop at either end of the court. The two teams have to pass the ball to every person in their team before passing to the person in their hoop which is a goal. Following normal netball rules of no stepping/bouncing/ 3ft defending/3 seconds with the ball etc. Every person in the team has to touch the ball before passing to goal.
