LATESTRECIPES +LIFE +HOUSE & HOME +MONEY +JOBS +PARENTING +ACTIVITIES +

INGREDIENTS

- 1/3 cup Gum Mix
- 1/2 tsp Citric Acid
- 3/4 cup Powdered Sugar
- 3 tbsp Corn Syrup
- 1 tbsp Food Colouring
- 1 tsp Flavouring
- 1 tsp Glycerol

METHOD

- 1 Get a microwave-safe bowl and put in the gum mix, corn syrup, glycerol, citric acid, and flavouring.
- 2 Place it in the microwave for 60 seconds and give it a stir. Microwave it again for another 30 seconds and stir. Repeat the process until it's all melted.
- 3 Add Food colouring and stir again.
- 4 Pour half of the sugar in a flat surface, make a well in the middle, and pour in the gum mixture in the middle. Leave it for 5 minutes to cool.
- 5 Slowly knead it together and put sugar if it starts to become sticky.
- 6 Once done, flatten it down with a rolling pin or with your hands then cut them however you want.

I bought this mascara online recently because I am switching over to more natural cosmetics. All I can say is wow. My lashes
