

Good afternoon smash families,

I hope you have had a great Easter

At the end of Term 1 the Smash children were rewarded with a party for collecting tokens for outstanding behaviour.

During term 2, week 8, I would like to take the Smash children to Timezone at Macquarie Centre for another reward. We would arrange for a private bus to pick us up after role call and would organize for the bus to leave Macquarie centre at 5:30pm to ensure everyone is back before 6:30pm

If this is successful we will be planning different excursions for term 3 and 4. Future excursions could be to Bondi Pizza, Ice skating etc.

It will not be compulsory for your children to attend the excursion. Other activities will be available at the ENOSHCP.

Please let me know your thoughts as we welcome feedback from families.

Regards
