Procedure

Absent Children

Parents/guardians are to advise the Centre if their child will be absent for a session that they are booked into care, whether it be a before or after school care permanent or casual booking.

If parents are aware of a future absence prior to the cut-off time for online notifications (midday the working day prior to the absence), they must enter an 'away' notification through the Webserver for the session of the expected absence.

If parents do not know until the day, they must notify the Centre of their child's absence prior to the end of the morning session and the start of the afternoon session. Parents/guardians must indicate the expected end date of an absence and also advise if this changes. Parents/guardians will be informed of this requirement upon enrolment and through the Family Handbook detailing the imperative nature of the Centre knowing of a child's absence.

Absent Children – Morning Sessions

If a child is not present at the Centre by 9:00am, and the Centre has not been notified of their absence, the educator will telephone all parent/guardian contacts.

Upon making contact, the parents/guardians will be informed of their failure to advise the Centre of the child's absence and of any charges that may apply such as a Non-notification Fee (Policy A-6: Fees). Session fees will apply for all bookings, casual or permanent, where educators have not been informed of an absence. An educator will also ascertain the next expected session that the child will attend.

If parents/guardians are not available, an educator will continue to call and send emails to the family until contact is made.

Absent Children – Afternoon Sessions

If a child is not present at the Centre by 3:30pm, and the Centre has not been notified of their absence, the educator will:

- Ask other children of their knowledge of where the child might be.
- Inspect school grounds, ensuring all other children are well supervised during this time.
- Contact the school office and/or class teacher to ask for information regarding the child's attendance at school and possible collection of the child from the school grounds.

If the child cannot be found on school grounds the educator will then telephone all parent/guardian contacts.

Upon making contact, if the child is absent that afternoon, the parents/guardians will be informed of their failure to advise the Centre of the child's absence and of any charges that may apply such as a Non-notification Fee (Policy A-6: Fees). Session fees will apply for all bookings, casual or permanent, where educators have not been informed of an absence. An educator will also ascertain the next expected session that the child will attend.

If contact cannot be made with the parents/guardians, or the parents/guardians believe the child should be at the centre then the educator will:

- Inform the school of the missing child
- Continue to search the school grounds with school staff assistance, ensuring that all the other children are well supervised during this time.

If the child is found, the educator is to ensure that all persons attempting to locate the children are informed. In addition, the parents/guardians should be contacted to advise the child has been located and an Incident, Injury, Trauma and Illness record is to be completed. This will require a signature by the parents/guardians on collection of the child.

If the child is still not found then the educator will:

- Contact the families' authorised nominees.
- Continue to keep in contact with the school.
- Make contact with the Management Committee to inform them of the situation.

If the child's location cannot be confirmed by 4:10pm then the educator will:

- Contact the Police.
- Advise the parents/authorised persons that the police have been phoned.
- Advise the Management Committee that the Police have been phoned.

Where the police are called, the Responsible Person on Duty will complete an Incident, Injury, Trauma and Illness record and report this incident to the Department of Education (Early Childhood Education and Care Directorate) using the NQAITs.

In the event of repeat absences without notification, a formal letter from the Management Committee, detailing the failure to notify the Centre of absence, will be delivered to the parent/guardian. Further issues may result in a suspension of services.

The Director will ensure that all educators are aware of the policies and procedures relating to a missing child and will display the steps needing to be taken in their absence.
