

Autumn is here with a bang!

'Fall' back in love with the holidays again because Vacation Care is here! Check out our latest program below and don't forget to book in fast as spots will quickly fill up!

OOSH Athletics Carnival

We're super excited for our Athletics carnival day this holidays at the Warm Up Arena of Sydney Olympic Park! We're looking forward to replicating our Olympic heroes feats by hosting our own carnival with official OOSH records to set and ribbons to hand out for participants.

Tips for our Autumn 2024 Program

- A reminder that no refunded cancellations can be made after the Early Bird cut off date of Friday 5th April without a medical certificate.
- Please pay close attention to the excursion times on excursion days and ensure you arrive before these times. Unfortunately due to time constraints we cannot wait for late families when we are scheduled to board our buses.
- For our outdoor excursions, please ensure you pack appropriate wet weather gear, enclosed shoes and a yellow hat.
- Packing spare clothes is always a good idea especially for our younger children who may be prone to accidents!
- For our split excursion on 16th April to The Brightspace and Code Red, please ensure you select between the two excursion options that you would like your child to attend. We expect both excursions to be close to filling out so there will likely not be a chance to swap between the two on the day.
- SMASH activities are for children in Year 4/5/6 only.

Choose your excursion is back!

Due to popular demand we've brought back choose your own excursion! Choose between, The Brightspace, an art studio located in Botany for an artistic workshop where you can refine your creative talents. Not your thing? Instead choose Code Red Laser Tag in Rosehill for one of Sydney's best and biggest Laser Tag centres. Tag your friends and strategise with your team to become the victor! **Due to the darkened environment and nature of the activity we recommend Code Red to be for children aged 6+**

Families: Please make sure you select your chosen excursion for your child when making the booking on the portal.
