## Procedure

The Centre must always have a Responsible Person physically present at all times whilst the service is in operation.

A responsible person can be:

1. The APPROVED PROVIDER – a member of the Management Committee
2. The NOMINATED SUPERVISOR – a person with a Supervisor Certificate designated by the service as the Nominated Supervisor (generally the Centre Director)
3. A SERVICE SUPERVISOR – this is placed under the service supervisor certificate and can be placed in charge of the day-to-day running of the service.

The Nominated Supervisor will be regarded as the Responsible Person on Duty (RPD) each day. In the event that the Nominated Supervisor is absent, a person at the service who is under the Service Supervisor certificate is able to be in charge of the day-to-day running of the service. The Service Supervisor does not have the same roles and responsibilities as the Nominated Supervisor.

There is no maximum number of Service Supervisors allowed at the service. Should a Service Supervisor be in control of a service during a session of care, their details must be displayed with the Nominated supervisor details.

A person who has shown exceptional leadership skills, has relevant OSHC experience and has the skills needed to be the responsible person can be elected by the Nominated Supervisor/Management committee to be placed under the Service Supervisor certificate. There is no limit on the amount of the people that can be placed under the Service Supervisor certificate. The people under this certificate can be the responsible person during a session, in the Nominated Supervisors absence.

### **The Approved Provider must:**

- ensure Nominated Supervisors and Service Supervisors have a clear understanding of their roles and responsibilities as the Responsible Person on duty
- ensure the Responsible Person is appropriately skilled and qualified
- ensure the Responsible Person is contactable at all times

### **The Nominated Supervisor or delegated authority will:**

- arrange for the keeping of a “Responsible Person Record” which documents the current responsible person on each shift
- ensure the name of the responsible person on duty is displayed at the entrance of the Centre
- develop rosters in accordance with the availability of responsible persons, centre operation and attendance patterns of children

**The Responsible Person will:**

- Deliver a quality program
- Ensure supervision and safety of children
- Ensure Centre Policy and Procedures are adhered to
- Administer medication and first aid when needed
- Manage staff and adhere to required educator: child ratios
